Coaches Needed For All Leagues

For a fun and rewarding experience, volunteer to coach your child's team. Not only can you help make a difference, but the head coach's child gets to play for free.

YOUTH LEAGUE GUIDELINES

This information pertains to all youth leagues. Please read before registering. LEAGUES WILL FILL QUICKLY. Register at least one season in advance. If you have questions, comments or concerns please call the Youth Sports Department right away. Please do not wait until the end of the season.

- Registration deadline does not guarantee that there will still be openings.
- All leagues are recreational and considered feeder programs into more competitive leagues in the community. Equal playing time at practices and games.
- When registering you may request a specific coach, or indicate if you would like your child to be on the same team as a sibling or friend. Requests are not guaranteed.
- Past coaches will not be notified each season and coaching spots will not be held.
- Parents interested in coaching must go through a coach's screening and a Washington State background check prior to registration. The head coach's child is not charged the league fee, but they must call the Youth Sports Department to register as a coach.
- Fee includes team T-shirt.
- Register your child according to your child's birth date. Ask this question, "How old will my child be at the start date of the league?" Children must play within their age range.
- Mandatory meeting involves meeting the coach, covering league information, distributing team rosters, schedules and T-shirts. You will not receive a reminder. Show up on the date and time listed on your receipt. This is a meeting only, not a practice.
- One-hour practice, one evening a week will be determined by gym/field availability and the coaches. Some leagues, ages seven and older may practice two evenings during the week prior to the first game. Parents may not have input regarding practice times and locations.
- A parent/guardian is required to attend all practices and all games. Children cannot be dropped off.

If your company is interested in sponsoring a youth league team or a league, contact Stacey Allington at 487-7029 (east-side leagues) or Heidi Rhoads at 487-7083 (west-side leagues) to receive more information and a sponsorship form.

BASKETBALL LEAGUE INFORMATION: This is a recreational league, no stats. We will be offering two different skill level leagues for ages 8-9 in the winter at FCC only. However, these two skill levels may be combined depending on the number of registrations, with players equally dispersed among teams. Ages 5-6½ and 6½-7 will play on 8 ft hoops. For Ages 5-6½ leagues spots will be used so players know where to stand for offense. Wristbands will be provided so players know what offensive player they are guarding. SPOTLIGHT

Coach

Chuck Kepler

Local coaches like Chuck Kepler help build a community focused on health and movement by getting kids involved in sports at a young age. He began coaching in 2004 as an assistant Parks and Recreation coach, and loved it so much he's coached seven teams since. It doesn't matter what the sport is, coach Kepler motivates kids to learn something new, build teamwork skills and add movement to their lives. He's coached soccer, baseball and flag football. "I like Parks and Recreation because it is a great place to get kids introduced to sports and have fun doing it," he said. "I love teaching kids; they are always eager to learn and have so much energy." He enjoys watching kids learn a new sport and helping them to refine their skills. He also appreciates that the emphasis in Parks and Recreation teams is always on having fun without the pressure to win. "The excitement that they have when they get their first hit, catch or score is always an awesome experience," he said. Thanks for your continued support of youth sports, coach Kepler!
