

Purchase a Commemorative Paver
at the

Firstenburg Community Center

For only \$100, your name or the name of a loved one will grace the Royce Pollard Community Room outdoor terrace for generations to come.

You'll be supporting the Vancouver-Clark Parks and Recreation Scholarship Program, as well as furnishings for the center.

Be a part of your new Community Center!

The Vancouver-Clark Parks and Recreation Department has opened the doors of the new Firstenburg Community Center. Located at 700 NE 136th Avenue, it is the City's first full-service community center since Marshall Center was built in the 1960's. It is sure to become a landmark facility, drawing families from all over the region to swim, play and pursue fitness. It is a centerpiece for the east side of Vancouver – a “family room” - where residents may gather with their neighbors in the meeting, party, classroom, and recreational venues the center offers.

We invite you to be a part of this new era for Vancouver, and help create the spirit of community this building represents, by purchasing a one-foot-by-two-foot paver inscribed with your name or the name of a loved one, to be placed on the terrace outside the Firstenburg Center's elegant Royce Pollard Community Room. You will be supporting Parks and Recreation programs, and making your mark on a facility which will serve generations over the years to come.
