

Downtown Vancouver TSP Document Format

The Downtown Vancouver Transportation System Plan (TSP) - *Policy Review Draft* document contains five separate chapters. Associated with the Downtown Vancouver TSP is the *Technical Report* and *Appendices* which contains the detailed policy and plan review, and technical analysis of the downtown Vancouver planning area. Each chapter is separated by green section dividers and labeled tabs. The following summary descriptions provide the reader with a quick reference to the individual chapters of the Downtown Vancouver TSP document:

Executive Summary (Chapter 1)

...summarizes the entire document for a quick overview of the Plan elements, findings and recommendations...

Introduction (Chapter 2)

...describes the historical context and City's vision for downtown Vancouver, the need and purpose of the Plan, the planning process including the community involvement and agency coordination efforts...

Study Area Analysis (Chapter 3)

...summarizes the inventory and analysis of the current and future downtown Vancouver transportation system, including analysis of the planned Special Events Center...

Transportation System Plan (Chapter 4)

...contains a comprehensive set of goals and policies, and individual modal elements of the Downtown Vancouver TSP. Each modal element includes specific goals and objectives, and summary analysis and recommendations for specific projects and

Street Classification (Chapter 5)

...contains recommended enhancements to the City's current street functional classification policies to better identify modal priority for individual streets in downtown Vancouver, including new definitions for traffic, transit, pedestrian,

Technical Report (Separate Document)

...contains the detailed inventory and analysis of the current and future downtown Vancouver transportation system, including analysis of the impacts of planned development, a variety of street system alternatives (including assessment of transit system impacts), and the impacts of the planned Special Events Center - and all of the technical appendices referenced in the Downtown Vancouver TSP document...
